EDUCATION AND TRAINING

- 2018 MPH, Community Oriented Public Health Practice Program, Health Services, University of Washington, Seattle, WA
- 2013 BA, Anthropology: International Cultural Immersion and German, Northern Arizona University, Flagstaff, AZ
- 2021 Credentialed Microsystem Coach, Level 1 – The Team Coaching Program
- 2021 Basic Certificate in Quality and Safety – Institute for Healthcare Improvement
- 2021 Inspiring Change 2.0 Certificate – The Center for Implementation
- 2020 Inspiring Change 1.0 Certificate – The Center for Implementation
- 2020 6 Building Blocks Facilitator Training – University of Washington
- 2019 Cognitive Assessment Screening Instrument Training – University of Washington
- 2018 Motivational Interviewing and Health Coaching – KPWHRI

PROFESSIONAL POSITIONS

- 2022-present **Collaborative Scientist II**, Kaiser Permanente Washington Health Research Institute, Seattle, WA
- 2019-2022 **Implementation & Evaluation Associate**, Kaiser Permanente Washington Health Research Institute, Seattle, WA
- 2015-2019 **Research Specialist I, II, III**, Kaiser Permanente Washington Health Research Institute (formally Group Health Research Institute), Seattle, WA

HONORS/AWARDS

- 2021 James A. Vohs Award for Quality, nominated
- 2018 School of Public Health Outstanding Master's Student Award
- 2018 Martin Luther King Jr. Community Service Award
- 2017 Northwest Center for Public Health Practice Grant
- 2013 Outstanding German Senior Award
- 2013 Summa Cum Laude from Northern Arizona University

MEMBERSHIPS

N/A

ORGANIZATIONAL SERVICE AT KAISER PERMANENTE

2018-Present Health Equity Action Team Member, Kaiser Permanente Washington
2020-Present Floor Warden, KPWHRI
2020-2021 Equity Team Steering Committee Member, KPWHRI
2018-2021 Equity Team Member, KPWHRI
2020-2020 Anti-Racism Journey Facilitator, Kaiser Permanente Washington
2018-2018 High School Student Career Day Booth Leader, KPWHRI

OTHER PROFESSIONAL SERVICE

2021-Present Data Analyst, Homeless Remembrance Project, Seattle, WA
2017-2018 Lead Organizer, Health Equity Circle and the Sound Alliance, Seattle, WA

EDITORIAL RESPONSIBILITIES

2021 Peer Reviewer, Journal of Health Care for the Poor and Underserved

RESEARCH FUNDING

Current Projects

Kaiser Permanente Washington 2019-2023
No Grant # (Lozano) \$5,301,690 (total direct)

Learning Health System Program: Integrated Pain Management

To improve care for patients with pain, and to support providers in caring for patients on chronic opioid therapy.

Role: Practice Facilitator and Collaborative Scientist (50% FTE)

National Institute on Drug Abuse 4/1/2019-2/29/2024
R01 DA047954 (Glass)

Digital Treatments for Substance Use Disorder (DIGITS) in Primary Care: A Hybrid Type-III Implementation Trial

To evaluate strategies for increasing the adoption and reach of digital health tools for substance use disorders in primary care.

Role: Practice Facilitator and Collaborative Scientist (30% FTE)

National Institute on Alcohol Abuse and Alcoholism 8/1/2017-7/31/2022
K01AA023859 (Glass) \$889,465 (total direct)

mHealth AUD

Decreasing the engagement gap for addiction treatment in primary care.

Role: Qualitative Researcher (15% FTE)

National Institute of Health 9/23/2019-6/30/2023
1R01MD013874 (Coleman) \$687,277

Bariatric Experience Long Term (BELONG II)

Gain a deeper understanding of weight loss and regain for different races/ethnicities 5 years after surgery using qualitative methods.

Role: Qualitative Researcher (15% FTE)

Completed Projects

National Institute on Aging 9/15/2017-11/30/2021
R01 AG057508 (*Yaffe, Larson) \$1,063,066 (total direct)

Systematic Multi-Domain Alzheimer's Risk Reduction Trial (SMARRT):

Trail of multiple behavior changes (e.g., physical activity, sleep, depression) intervention to prevent Alzheimer's Disease and Related Dementias.

Role: Neuropsychic Assessor (30% FTE)

Kaiser Permanente Washington Community Benefit 9/1/2018-7/31/2021
No Grant # (Coleman) \$134,763 (direct)

Building the Capacity to Address Social Needs in Washington

To support the Washington Association of Community Health to design, implement, and evaluate a social needs screening collaborative for federally qualified health centers in Washington.

Role: Implementation and Evaluation Associate (30% FTE)

Robert Wood Johnson Foundation 9/1/2018-7/31/2021
75607 (Parchman) \$250,000 (total direct)

Safety Net Value Champions Fellowship Program

This is a 9-month fellowship training program for a cohort of 8 clinical champions from safety net settings to develop competencies needed to engage providers in addressing overuse. The curriculum will be based on the Taking Action on Overuse learning and experience and taught by nationally recognized faculty.

Robert Wood Johnson Foundation

Role: Implementation and Evaluation Associate (30% FTE)

Kaiser Permanente Washington
No Grant # (Lewis, Hsu)

Learning Health System Program: CRS Evaluation

Role: Practice Facilitator and Qualitative Researcher (50% FTE)

National Heart, Lung, and Blood Institute 06/01/2018-03/31/2023
R01HL132880 (Rosenberg) \$481,882 (direct)

Healthy Aging Resources to Thrive (HART):

Randomized controlled trial to reduce sitting time and improve cardiometabolic health in older adults with obesity

Role: Health Coach (35% FTE)

KPWHRI Development Fund 2/17/2019-12/15/2019
No Grant # (Figueroa Gray) \$59,957 (total direct)

Making Medical Decisions with BRCA I/II

Qualitative social media research to understand decision-making as a result of genetic testing.

Role: Qualitative Researcher (20% FTE)

Industry Vaccine Study
No Grant # (Jackson L)

NOR-204

Clinical trial of a norovirus vaccine.

Role: Research Specialist (25% FTE)

National Institute of Allergy and Infectious Diseases 7/28/17-12/31/2020
HHSN27200009-FY.2017.B8C12.0080 (Jackson L) \$2,680,772 (total direct)

Vaccine and Treatment Evaluation Units (VTEUs) Protocols 17-0075, 17-0076, 17-0090

To design and conduct three Phase II studies of H7N9 Inactivated Influenza Vaccine.

Role: Research Specialist (60% FTE)

National Institute of Allergy and Infectious Diseases 7/12/17-5/31/2022
HHSN27200005-14-0088.B1C1D1.0030 (Jackson L) \$2,467,100 (total direct)

Vaccine and Treatment Evaluation Units (VTEUs) Protocol 14-0088

To design and conduct the protocol titled "A Phase 1, Two Arm, Open Label Trial to Evaluate the Safety, Immunogenicity and Preliminary Efficacy of Genetically-attenuated p52-/p36-/sap1-Plasmodium falciparum Parasites (GAP3KO) administered via the Bite of Infected Anopheles stephensi Mosquitoes to Malaria-Naïve Adults Living in the United States".

Role: Research Specialist (50% FTE)

National Science Foundation 11/25/2017-11/24/2018
(Figueroa Gray) \$66,047 (total direct)

Changing Narratives in Early Phase Immunotherapy Trails

This exploratory qualitative study situates contemporary problems in cancer research in the both the broader social history of cancer research and in decision-making in medicine by examining patient and provider narratives of Phase 1 immunotherapy trial participation.

Role: Qualitative Researcher (30% FTE)

Group Health Research Institute Development Fund 2017-1/1/2018
No Grant # (Figueroa Gray)

Clare Fertility

Role: Qualitative Researcher (70% FTE)

National Institute of Allergy and Infectious Diseases 9/17/2017-12/31/2020
HHSN27200007 (Jackson L) \$1,248,287 (total direct)

Vaccine and Treatment Evaluation Units (VTEUs) Protocol 11-0042

To design and conduct the protocol titled "A Phase 1 Dose Escalation Trial to Assess the Safety and Efficacy of Infectious (Replication-intact), Cryopreserved Plasmodium falciparum Sporozoites (PfSPZ Challenge) administered by Direct Venous Inoculation under Chloroquine Cover (PfSPZ-CVac) on Varying Schedules in Healthy Malaria-Naïve Adults in the United States".

Role: Research Specialist (40% FTE)

VTEU 2015-2017
RNG002744 (Jackson L)

RSV-E-201, RSV-E-202, RSV-E-301

To design and conduct a clinical trial of a respiratory syncytial virus vaccine.

Role: Research Specialist (70% FTE)

TEACHING AND MENTORING RESPONSIBILITIES

- 2021-2022 **Site Supervisor**, University of Washington Community Oriented Public Health Practice Program Practicum Student Brooke Satre, class of 2023.
- 2022 **Invited Panel Speaker**, University of Washington class Homelessness in Seattle: Destitute poverty in the Emerald City. January 21, 2022.
- 2017-2020 **Mentor**, University of Washington BA Public Health Student Valerie Shmigol, class of 2017.
- 2019 **Invited Panel Speaker**, University of Washington Community Oriented Public Health Program, Careers in Public Health.
- 2017-2018 **Supervisor**, 13 undergraduate interns from the University of Washington and Seattle Pacific University, legal debt and homelessness capstone project.
- Winter 2018 **Graduate Teaching Assistant**, University of Washington Honors Program, Licton Springs Homeless Encampment Evaluation.
