## PROFILE

---

PhD in health services research; interested in the integration of screening, assessment, and evidence-based treatment for substance use in primary care. Trained in social and behavioral theories and the conduct of both quantitative and qualitative research focused on the prevention and management of substance use disorders. Detail-oriented, approaches challenges with enthusiasm and creativity. Excellent oral and written communication skills.

## EDUCATION

---

- 2023 – 2025     **Fellowship**, Stanford University, Center for Dissemination and Implementation At Stanford (C-DIAS), Palo Alto, CA  
Addiction Dissemination & Implementation Science
- 2018 – 2022     **PhD**, University of Washington School of Public Health, Seattle WA  
Department of Health Systems and Population Health  
Area of Emphasis: Evaluative Sciences  
Dissertation: Evaluation of screening, assessment, diagnosis, and treatment for cannabis use disorder in primary care
- 2015 – 2017     **MPH**, University of Washington School of Public Health, Seattle WA  
Department of Health Services  
Concentration: Social and Behavioral Sciences  
Thesis: Are PTSD symptoms associated with engagement and response to alcohol care management for Veteran Affairs patients with high-risk drinking?
- 2008 – 2012     **BA**, Whitman College, Walla Walla WA  
Psychology, Honors  
Thesis: Age-Related Associative Memory Under Divided Attention

## RESEARCH POSITIONS

---

- 9/2023 – present     **Affiliate Assistant Professor** ♦ University of Washington, Department of Health Systems and Population Health
- 11/2022 – present     **Collaborative Scientist II** ♦ Kaiser Permanente Washington Health Research Institute, Seattle WA
- 6/2017 – 11/2022     **Research Interventionist** ♦ Kaiser Permanente Washington Health Research Institute, Seattle WA
- 9/2018 – 9/2022     **Predoctoral Fellow** ♦ VA Puget Sound Health Services Research & Development, Center of Innovation for Veteran-Centered & Value-Driven Care, Seattle WA

- 6/2017 – 9/2018 **Research Coordinator** ♦ VA Puget Sound Health Services Research & Development, Center of Innovation for Veteran-Centered & Value-Driven Care, Seattle WA
- 5/2016 – 6/2017 **Intern/Research Assistant** ♦ Group Health Research Institute, Seattle WA
- 9/2011 – 12/2011 **Research Assistant** ♦ Whitman College Psychology Department, Walla Walla WA

## **HONORS, AWARDS, & SCHOLARSHIPS**

---

- 5/2023 Nominee for the Graduate School Distinguished Dissertation Award, University of Washington, Seattle, WA
- 6/2022 Gilbert S. Omenn Award for Academic Excellence, University of Washington School of Public Health, Seattle, WA (\$2,500 stipend)
- 6/2022 Health Systems and Population Health Outstanding Graduate Student, University of Washington School of Public Health, Department of Health Systems and Population Health, Seattle, WA
- 10/2018 – 6/2022 Predoctoral Fellowship, Department of Veteran Affairs Health Services Research & Development, Seattle, WA. (\$35,000/year for tuition + stipend)
- 6/2022 Introduction to Causal Data Analysis and Modeling with Coincidence Analysis, University of Bergen, Bergen, Norway. (\$462 registration)
- 3/2022 SPOT Bonus Award, Kaiser Permanente Washington Health Research Institute, Seattle, WA (\$1,000 stipend)
- 9/2020 Configurational Comparative Methods Intensive Course scholarship, Regenstrief Center for Health Services Research, Virtual. (\$650 registration)
- 6/2020 Alice S. Hersh Student Scholarship, AcademyHealth 2020 Annual Research Meeting, Washington D.C. (\$425 registration)
- 10/2018 New Investigator Travel Award, Addiction Health Services Research 2018 Annual Conference, Savannah GA (\$1,000 stipend for conference attendance)
- 6/2018 Junior Investigator Award, Research Society on Alcoholism 2018 Scientific Meeting, San Diego, CA (\$200 registration + \$190 stipend)
- 4/2017 Travel Grant, Health Services Department, University of Washington, Seattle WA (\$476 for registration + travel expense)

## **PROFESIONAL ACTIVITIES**

---

### **Leadership**

- 1/2019 – 1/2022 **Vice President**, AcademyHealth University of Washington Student Chapter

### **Society and Committee Membership**

- 6/2023-present **Grader**, University of Washington Health Systems and Population Health PhD Preliminary qualifying statistics examination
- 12/2022-present **Member**, University of Washington Health Systems and Population Health PhD Admission's Committee
- 1/2019 – 1/2022 **Member**, AcademyHealth

## Teaching Experience

2/2023 **Lecturer**, Evaluation of screening, assessment, diagnosis, and treatment for cannabis use disorder in primary care. (2023, February 21). Presented as part of the Center for the Study of Health Risk Behaviors (CSHRB) 499, Virtual.

## Invited Talks and Organized Workshops

3/2025 **Presenter**, Title TBD (2025, March 11). Center for Dissemination & Implementation At Stanford (C-DIAS) Prevention Science & Methodology Group Virtual Grand Rounds, Virtual.

6/2023 **Presenter**, Multi-level barriers and facilitators to treatment for alcohol use disorder. (2023, June 14). Veteran Affairs (VA) Stepped Care for Opioid Use Disorder, Train-the Trainer (SCOUTT) Institute for Learning, Education and Development (ILEAD), Virtual.

5/2023 **Panelist**, Screening for substance use disorders in primary care. Integrated Care Conference. (2023, May 05). University of Washington Integrated Care Training Program, Seattle, WA.

4/2023 **Presenter**, A proposed framework for designing trials evaluating the effectiveness and implementation of digital behavioral health interventions. (2023, April 4). Center for Behavioral Intervention Technologies (CBITs) Digital Mental Health Webinar, Virtual.

2/2023 **Presenter**, A proposed framework for designing trials evaluating the effectiveness and implementation of digital interventions for Substance Use. (2023, February 21). Center for Dissemination & Implementation At Stanford (C-DIAS) Prevention Science & Methodology Group Virtual Grand Rounds, Virtual.

12/2022 **Presenter**, Evaluation of screening, assessment, diagnosis, and treatment for cannabis use disorder in primary care. (2022, December 6). Addictions Drug and Alcohol Institute (ADAI) Lunch-and-Learn, Virtual.

6/2022 **Student speaker**, 2022 School of Public Health Graduation. (2022, June 12). University of Washington School of Public Health, Seattle, WA.

4/2022 **Presenter**, Validity of a single-item cannabis screen when used routinely in primary care. (2022, April 27). National Institute on Drug Abuse, Clinical Trials Network Annual Steering Committee Meeting, Virtual.

4/2022 **Presenter**, Psychometric performance of a substance use symptom checklist to help clinicians assess cannabis use disorder in primary care. (2022, April 27). National Institute on Drug Abuse, Clinical Trials Network Annual Steering Committee Meeting, Virtual.

4/2021 – 5/2021 **Organizer**, “Non-Traditional Methods for Communicating Research.” (2021, April 26, May 10 & May 24). Three-part speaker series and workshop hosted by the University of Washington’s AcademyHealth and ISPOR Student Chapters, Virtual.

4/2021 **Moderator**, “The Audience Rules! How to Think Strategically About Communicating Research.” (2021, April 26). Workshop hosted by the University of Washington’s AcademyHealth and ISPOR Student Chapters, Virtual.

## Peer Review

8/2022	<b>Abstract Reviewer</b> , AcademyHealth Dissemination & Implementation Conference, Behavioral Health track
2018 – present	<b>Manuscript Reviewer (ad hoc)</b> for <i>JAMA Network Open</i> , <i>Journal of Medical Internet Research</i> , <i>Preventive Medicine</i> , <i>Drug and Alcohol Dependence</i> , <i>Addiction Science &amp; Clinical Practice</i> , <i>Journal of Addiction Medicine</i> , <i>Alcoholism: Clinical &amp; Experimental Research</i> , <i>Health Education &amp; Behavior</i> , <i>American Journal of Health Promotion</i> , <i>Journal of Cannabis Research</i> , <i>Substance Use and Addiction journal</i>

## RESEARCH FUNDING (In reverse chronological order)

---

### Ongoing Projects

2025-2026 \$100,000	UW Garvey Institute for Brain Health Solutions No award number (PI: Steel) Developing a hospital-based treatment engagement program for Alcohol Use Disorder Role: Co-investigator (20%)
2024-2028 \$3,544,926	NIAAA R01AA031231 (PI: Bradley) Systematic Implementation of Patient-centered Care for Alcohol Use Trial: Beyond Referral to Treatment (SIP Alcohol Trial) Role: Co-investigator (10%)
2023-2025 \$25,000	UW Birch C-PARC RS100375 (PI: Jack) Validation of brief alcohol use screening tools in HIV care in Zimbabwe Role: Consultant (5%)
2023-2024 \$30,000	UW ADAI PO 0100030265 (PI: Steel) Leveraging Electronic Health Records to Determine Relative Prevalence and Predictors of Treatments for Inpatient Alcohol Withdrawal Syndrome Role: Site PI (10%)
2022-2027 \$2,270,077	NIDA P50DA054072 (PI: McGovern; KPWHRI Project PI: Glass) Center for Dissemination and Implementation At Stanford (C-DIAS) - Addressing Barriers to Care for Substance Use Disorder (ABC-SUD) Role: Co-Investigator (24%)
2022-2024 \$50,570	NIAAA R21/R33 AA028073 (PI: Hallgren, Bradley) Understanding practical alcohol measure in primary care to prepare for measurement-based care: scaled EHR measures of alcohol use and DSM-5 alcohol use disorder (AUD) symptoms – R33 administrative supplement Role: Collaborative Scientist (10%)
2019-2024 \$595,241	NIAAA R21/R33 AA028073 (PI: Hallgren, Bradley)

Understanding practical alcohol measure in primary care to prepare for measurement-based care: scaled EHR measures of alcohol use and DSM-5 alcohol use disorder (AUD) symptoms  
Role: Collaborative Scientist (40%)

2017-2024  
\$185,501  
NIDA CTN  
UGI DA040314 (PI: Bradley, Campbell)  
Health Systems Node of the NIDA Clinical Trials Network – Secondary PROUD Papers  
Role: Collaborative Scientist – Analyst (20%)

### Completed Projects

2020-2024  
\$178,152  
NIDA CTN  
UGI DA040314 (PI: Williams, Bradley)  
Health Systems Node of the NIDA Clinical Trials Network – Administrative Supplement CTN-0113 - Validating a DSM-5 substance use disorder (SUD) symptom checklist in EHR data from a large primary care sample to support future pragmatic trials and chronic care management of SUDs in primary care  
Role: Co-Investigator (30%)

2019-2024  
\$2,206,153  
NIDA  
R01 DA047954 (PI: Glass)  
Digital treatments for opioids and other substance use disorders (DIGITS) in primary care: A hybrid type III implementation trial  
Role: Interventionist – Qualitative interviewer and analyst (15%)

2023-2023  
\$14,909  
KPWHRI Small Grants Program  
No award number (MPI: Justice, Matson)  
Understanding current and new diagnostic criteria for complex PTSD: clinical implications and patient characteristics  
Role: Co-PI (10%)

2018-2022  
\$1,208,475  
NIDA CTN  
UGI DA040314 (PI: Lapham, Bradley)  
Health Systems Node of the NIDA Clinical Trials Network – Supplement CTN-0077 – Medical Cannabis Use among Primary Care Patients: Using Electronic Health Records to Study Large Populations  
Role: Collaborative Scientist (40%)

2017-2021  
\$1,371,136  
NIA  
R01 AG057508 (PI: Yaffe, Larson)  
Multi-domain Alzheimer's Risk Reduction Study (MARRS) Pilot  
Role: Interventionist (30%)

2018-2020  
\$296,012  
NIAAA  
R03 AA023639 (PI: Williams)  
Patterns of alcohol use and alcohol-related care among transgender persons  
Role: Pre-doctoral fellow/Analyst (20%)

2019-2019  
\$50,000  
KPWHRI  
Development Fund (PI: Glass)  
Piloting the implementation of mHealth for substance use disorders in primary care  
Role: Interventionist (15%)

2018-2018 \$83,755	KPWHRI Development Fund (PI: Glass) mHealth apps to augment opioid use disorder treatment in primary care Role: Interventionist (15%)
2017-2024 \$12,196,423	NIDA CTN UGI DA040314 (PI: Bradley) Health Systems Node of the NIDA Clinical Trials Network – Supplement CTN-0074 - PRimary care Opioid Use Disorders Treatment (PROUD) Trial Role: Interventionist (40%)
2015-2017 \$274,168	NIAAA R21 AA022866 (PI: Bradley, Williams) Alcohol-related care and outcomes for outpatients with HIV in a national VA cohort Role: Research Assistant (20%)
2014-2017 \$334,380	NIAAA R21 AA022866 (Bradley) A novel patient-centered decision aid to inform alcohol treatment choices (OPTIONS study) Role: Interventionist (20%)
2013-2018 \$240,000	NIA R21 AG043853 (PI: Rosenberg) Take Active Breaks from Sitting (TABS): Reducing Sedentary Time in Obese Older Adults Role: Student (20%)

#### **ABSTRACTS & PRESENTATIONS** (In reverse chronological order)

---

\* Podium presenter; † Moderator or Chair

1. **Matson TE**, Lee AK, Miech EJ, Wartko PD, Phillips RC, Shea M, Altschuler A, Campbell ANC, Labelle CT, Arnsten JH, Braciszewski JM, Glass JE, Horigian VE, Murphy MT, Zare-Mehrjerdi M, Bradley KA. The difference-making role of staff support in implementing nurse care management for opioid use disorder treatment: a configurational analysis. Poster presentation at: Addiction Health Services Research Conference; October 16-18, 2024; San Francisco, CA.
2. Lapham GT, Bobb JF, Luce C, Oliver MM, Hamilton LK, Hyun N, Hallgren KA, **Matson TE**. Prevalence of cannabis use disorder among primary care patients with varying frequency of past-year cannabis use in a US state with adult-legal use. Submitted to: Addiction Health Services Research Conference; October 16-18, 2024; San Francisco, CA.
3. \***Matson TE**, Jack HE, Chang YM, Berger DB, Ellis RL, Oliver MA, Bobb JF, Bradley KA, Hallgren KA. Do brief alcohol screening and follow-up

- assessment measures completed in routine care provide information about future health risks and service utilization? In KA Hallgren (Chair), *Population-based alcohol screening and assessment: What we know about the validity, reliability, and clinical utility of the AUDIT-C and Alcohol Symptom Checklists implemented in routine primary care within a large U.S. health system*. Symposium at: 20<sup>th</sup> Conference of INEBRIA; November 20-22, 2024; Barcelona, Spain.
4. Hallgren KA, **Matson TE**, Simon CB, Ellis RL, Oliver MA, Lee AK, McCabe CJ, Witkiewitz K, Bobb JF, Caldeiro RM, Kivlahan DR, Bradley KA. Are alcohol screening and AUD symptom assessment measures reliable and valid when completed in routine primary care? In KA Hallgren (Chair), *Population-based alcohol screening and assessment: What we know about the validity, reliability, and clinical utility of the AUDIT-C and Alcohol Symptom Checklists implemented in routine primary care within a large U.S. health system*. Symposium at: 20<sup>th</sup> Conference of INEBRIA; November 20-22, 2024; Barcelona, Spain.
  5. Ellis RL, Hallgren KA, Williams EC, Glass JE, Rhew IC, **Matson TE**, Simon CB, Oliver MA, Bradley KA. Do providers equitably diagnose AUD across sex, race, and ethnicity? Using the AUDIT-C and Alcohol Symptom Checklist to better understand potential biases in AUD diagnosing. In KA Hallgren (Chair), *Population-based alcohol screening and assessment: What we know about the validity, reliability, and clinical utility of the AUDIT-C and Alcohol Symptom Checklists implemented in routine primary care within a large U.S. health system*. Symposium at: 20<sup>th</sup> Conference of INEBRIA; November 20-22, 2024; Barcelona, Spain.
  6. Bradley KA, **Matson TE**, Oliver MA, Berger DB, Jack HE, Ellis RL, Bobb JF, Hallgren KA. The association of AUDIT-C alcohol screening zones and changes in AUDIT-C zones with liver damage as measured by aspartate aminotransferase (AST) in US outpatients. In KA Hallgren (Chair), *Population-based alcohol screening and assessment: What we know about the validity, reliability, and clinical utility of the AUDIT-C and Alcohol Symptom Checklists implemented in routine primary care within a large U.S. health system*. Symposium at: 20<sup>th</sup> Conference of INEBRIA; November 20-22, 2024; Barcelona, Spain.
  7. Lapham GT, Addis MJ, King DA, Ludman EJ, Lee AK, Richards JE, Phillips RC, **Matson TE**, Glass JE, Ridpath JR, Hallgren KA, Bobb JF, Bradley KA. Development of a decision aid for alcohol use disorders (AUD) to be tested in a pragmatic trial of shared decision making for AUD in primary care. Podium presentation at: 20<sup>th</sup> Conference of INEBRIA; November 20-22, 2024; Barcelona, Spain.
  8. Glass JE, **Matson TE**, Davis CJ, King DA, Bobb JF. An effectiveness-implementation trial of a care navigation intervention to increase initiation of substance use disorder treatment. In M McGovern (Chair), *Can standardization in methods and measures optimize the potential of implementation science to improve health care access and quality?* Symposium at: 16<sup>th</sup> Annual Conference on the Science of Dissemination and Implementation in Health; December 10-13, 2023; Arlington, VA.

9. Simon CB, McCabe CJ, **Matson TE**, Oliver M, Bradley KA, Hallgren KA. Test-retest reliability of AUDIT-C in routine care. Podium presentation at AMERSA Annual Conference; November 1-4; Washington, DC, 2023
10. Simon CB, **Matson TE**, Oliver M, Hallgren KA, Weiss, RD, Bradley KA. Primary care patients with moderate-severe OUD symptoms; engagement in medication treatment for OUD. Poster presented at NAPCRG Annual Meeting; October 30-November 1; San Francisco, CA.
11. **Matson TE**, Oliver M, Steel T, Bradley KA, Hallgren KA. Receipt of AUD medications among primary care patients with an AUD diagnosis in an integrated healthcare system. Poster presented at: Addiction Health Services Research Conference; October 18-20, 2023; New York, NY.
12. Glass JT, **Matson TE**, Davis CJ, Bobb JF. The Addressing Barriers to Care for Substance Use Disorder (ABC-SUD) study: Design of an effectiveness-implementation trial of care navigation for SUD. Poster presented at: Addiction Health Services Research Conference; October 18-20, 2023; New York, NY.
13. **Matson TE**, Williams EC, Lapham GT, Oliver M, Hallgren KA, Bradley KA. Association between cannabis use disorder symptom severity and probability of clinically-documented diagnosis and treatment in a primary care sample. Podium presentation at: INEBRIA Greensboro Conference 2023; September 27-29, 2023; Greensboro, NC.
14. Patey D, Bradley KA, Oliver M, **Matson TE**, Jack HE, Berger D, Steel T, Lee A, Hallgren KA. The prevalence of identified unhealthy alcohol use and alcohol use disorder (AUD) when alcohol screening is conducted online versus on paper. Podium presentation at: INEBRIA Greensboro Conference 2023; September 27-29, 2023; Greensboro, NC.
15. **Matson TE**, Oliver M, Bradley KA, Hallgren KA. Psychometric performance of an alcohol symptom checklist: Does performance differ depending on web-based versus paper-based administration in routine care? Poster presented at: Research Society on Alcoholism 46<sup>th</sup> Annual Scientific Meeting; June 24-28, 2023; Bellevue, WA.
16. Chang YM, **Matson TE**, Richards JE, Oliver M, Bradley KA, Hallgren KA. Associations of alcohol screening and alcohol use disorder assessment measures completed in routine care with patient-reported suicidal ideation in a large primary care sample. Poster presented at: Research Society on Alcoholism 46<sup>th</sup> Annual Scientific Meeting; June 24-28, 2023; Bellevue, WA.
17. Kasinathan B, **Matson TE**, Oliver M, Bobb JF, Berger DB, Bradley KA, Hallgren KA, Jack HE. Association of unhealthy alcohol use with 30-day readmission risk and emergency department visits. Poster presented at: Research Society on Alcoholism 46<sup>th</sup> Annual Scientific Meeting; June 24-28, 2023; Bellevue, WA.
18. \***Matson TE**, Hermes EDA, Lyon AR, Quanbeck A, Schueller SM, Wilson SM, Glass JE. A proposed framework for designing trials evaluating the effectiveness and implementation of digital interventions for substance use. In JE Glass (Chair), *Digital interventions for substance use disorders: Trial results, implementation strategies, and design considerations in studies that*

*have real-world implications*. Symposium at: INEBRIA Edinburgh Conference 2022; September 21-23, 2022; Edinburgh, UK.

19. \***Matson TE**, Lapham GL, Bobb JF, Oliver M, Hallgren KA, Williams EC, Bradley KA. Validity of the Single-Item Screen – Cannabis (SIS-C) for cannabis use disorder screening in routine care. Podium presented at: INEBRIA Edinburgh Conference 2022; September 21-23, 2022; Edinburgh, UK.
20. Mendon-Plasek SJ, Bashir S, Doering E, **Matson TE**, Zimmerman L, Lane-Fall, M. Identifying pathways for promoting implementation success: A scoping review on the use of configurational comparative methods in implementation science. In B Cooper (Chair), *Advances and best practices in configurational comparative methods: Taking implementation science to the next frontier*. Symposium at: Society for Implementation Research Collaboration Conference; September 9<sup>th</sup>, 2022; San Diego, CA.
21. **Matson TE**, Hallgren KA, Oliver MA, Lapham GT, Williams EC, Bradley KA. Assessing cannabis use disorder in primary care: Psychometric performance of a substance use symptom checklist. Poster presented at: College on Problems of Drug Dependence; June 15, 2022; Minneapolis, MN.
22. **Matson TE**, Lapham GL, Wakefield JC, Williams EC. Density of cannabis retailers and cannabis use disorder for Veteran Health Affairs patients in King County, Washington. Poster presented at: 2020 Addiction Health Services Research Conference; October 14-16, 2020; Virtual. <https://osf.io/4u69q/>
23. **Matson TE**, Chen JA, Harris AHS, Rubinsky AD, Blosnich JR, Williams EC. Influence of a national transgender healthcare directive on receipt of alcohol-related care among transgender Veteran Health Affairs patients with unhealthy alcohol use. Poster presented at: AcademyHealth 2020 Annual Research Meeting; July 28-August 6, 2020; Virtual <https://academyhealth.confex.com/academyhealth/2020arm/meetingapp.cgi/Paper/39497>
24. \***Matson TE**, Chen JA, Harris AHS, Rubinsky AD, Blosnich JR, Williams EC. Effect of a national transgender healthcare directive on receipt of alcohol-related care among transgender Veterans with unhealthy alcohol use. In EC Williams (Chair), *Patterns of alcohol use, alcohol-related care, and social determinants among transgender patients from the veterans health administration*. Symposium at: Research Society on Alcoholism 43<sup>rd</sup> Annual Scientific Meeting; June 20-24, 2020; Conference cancelled.
25. Williams EC, Frost MC, Rubinsky AD, Glass JE, Wheat CL, Edmonds AT, Chen JA, **Matson TE**, Fletcher OV, Lehavot K, Blosnich JR. Patterns of alcohol use among transgender veterans: Overall and relative to non-transgender Veterans. In EC Williams (Chair), *Patterns of alcohol use, alcohol-related care, and social determinants among transgender patients from the veterans health administration*. Symposium at: Research Society on Alcoholism 43<sup>rd</sup> Annual Scientific Meeting; June 20-24, 2020; Conference cancelled.
26. Blosnich JR, Frost MC, Rubinsky AD, Glass JE, Wheat CL, Edmonds AT, Chen JA, **Matson TE**, Fletcher OV, Lehavot K, Williams EC. Receipt of alcohol-related care among transgender Veterans with unhealthy alcohol use. In

EC Williams (Chair), *Patterns of alcohol use, alcohol-related care, and social determinants among transgender patients from the veterans health administration*. Symposium at: Research Society on Alcoholism 43<sup>rd</sup> Annual Scientific Meeting; June 20-24, 2020; Conference cancelled.

27. **Matson TE**, Lim C, Hartzler A, Kimbel K, Lee AK, Beatty T, Parrish R, Caldeiro RM, McWethy AG, Bradley KA, Glass JE. Approaches for implementing digital treatments for drug use disorders into primary care: A qualitative study of patient perspectives. Poster presented at: 12<sup>th</sup> Annual Conference on the Science of Dissemination and Implementation in Health; December 4-6, 2019; Arlington, VA.
28. Glass JE, Brooks T, Lim C, Gundersen G, Kimbel K, Hartzler A, **Matson TE**, Parrish R, McWethy AG, Caldeiro RM, Bradley KA. Patient perspectives on implementing digital interventions for alcohol use disorders in primary care. Poster presented at: 12<sup>th</sup> Annual Conference on the Science of Dissemination and Implementation in Health; December 4-6, 2019; Arlington, VA.
29. \*†**Matson TE**, Carrell DS, Cronkite DJ, Oliver MM, Luce C, Ghitza UE, Hsu C, Bradley KA, Lapham GT. Prevalence and correlates of EHR-documented medical cannabis use among primary care patients in Washington State. Podium presentation at: Addictions Health Services Research Conference; October 16-18, 2019; Park City, UT.
30. Glass JE, **Matson TE**, Hartzler AL, Kimbel K, Lee AK, Beatty T, Parrish R, Caldeiro RM, McWethy AG, Rice L, Bradley KA. (2019, October 16-18). Approaches for integrating digital treatments for drug use disorders into primary care: A qualitative study of patient perspectives. Podium presentation at: Addictions Health Services Research Conference; October 16-18, 2019; Park City, UT.
31. Frost MC, **Matson TE**, Lee AK, Richards JE, Bradley KA, Williams EC. Barriers to and facilitators of help-seeking for alcohol use: Perspectives of VA primary care patients who declined to enroll in an alcohol-related care management intervention trial. Podium presentation at: Addictions Health Services Research Conference; October 16-18, 2019; Park City, UT.
32. Williams EC, Glass JE, Rubinsky AD, Frost MC, Wheat C, Edmonds AT, Chen JA, **Matson TE**, Lehavot K, Blosnich JR. Patterns of alcohol use in a national sample of transgender patients receiving care at the Veterans Health Administration. Poster presented at: Research Society on Alcoholism 42<sup>nd</sup> Annual Scientific Meeting; June 22-26, 2019; Minneapolis, MN.
33. Williams EW, **Matson TE**, Harris AS. Implementation of pharmacotherapy for alcohol use disorders: A structured review of care delivery and implementation interventions. Poster presented at: 11<sup>th</sup> Annual Conference on the Science of Dissemination and Implementation in Health; December 3-5, 2018; Washington D.C.
34. \***Matson TE**, Johnson EJ, Lapham GT, Lee AK, Richards JE, Bobb JF, Bradley KA, Glass JE. Routine Primary Care Screening for Cannabis and Other Drug Use and Risk of Subsequent Acute Care Utilization in an Integrated Health System. In GT Lapham (Chair), *Primary care integration of routine substance use screening: Care implementation, clinical characteristics and outcomes of patients screened for alcohol, cannabis, and illicit drug use*.

Symposium at: Addictions Health Services Research Conference; October 17-19, 2018; Savannah, GA.

35. Glass JE, **Matson TE**, Johnson EJ, Lapham GT, Lee AK, Richards JE, Bobb JF, Bradley KA. Routine Primary Care Screening for Unhealthy Alcohol Use and Risk of Subsequent Acute Care Utilization in an Integrated Health System. In GT Lapham (Chair), *Primary care integration of routine substance use screening: Care implementation, clinical characteristics and outcomes of patients screened for alcohol, cannabis, and illicit drug use*. Symposium at: Addictions Health Services Research Conference; October 17-19, 2018; Savannah, GA.
36. **Matson TE**, McGinnis KA, Rubinsky AD, Frost MC, Czarnogorski M, Bryant KJ, Edelman EJ, Satre DD, Catz SL, Bensley KM, Fiellin DA, Justice AC, Williams EC. Gender and alcohol use: Influences on HIV care continuum in a national sample of patients living with HIV. Poster presented at: Addictions Health Services Research Conference; October 17-19, 2018; Savannah, GA.
37. Rosenberg DE, **Matson TE**, Anderson ML, Renz AD, Kerr J, Arterburn D, McClure JB. The impact of a sitting reduction intervention on cardiometabolic health. Poster presented at: 7th International Society for Physical Activity and Health Congress; October 15-17, 2018; London, UK.
38. Chen JA, **Matson TE**, Young JP, Fortney J, Williams EC. Barriers to shared decision making with an online decision aid for PTSD: A qualitative study among primary care mental health providers in 5 U.S. Veterans health administration clinics. Poster presented at: AcademyHealth 2018 Annual Research Meeting; June 24-26, 2018; Seattle, WA.
39. **Matson TE**, Frost MC, Harris AS, Williams EC. Implementation of pharmacotherapy for alcohol use disorders: A review of barriers organized by the consolidated framework for implementation research (CFIR). Poster presented at: Research Society on Alcoholism 41<sup>st</sup> Annual Scientific Meeting; June 16-20, 2018; San Diego, CA.
40. Ludman EJ, **Matson TE**, Bobb JF, Richards JE, Lapham GT, Bradley KA. Alcohol-related nurse care management in primary care: Randomized controlled trial depressive symptom outcomes. Poster presented at: Research Society on Alcoholism 41<sup>st</sup> Annual Scientific Meeting; June 16-20, 2018; San Diego, CA.
41. **Matson TE**, Renz AD, Anderson ML, Greenwood-Hickman MA, McClure JB, Rosenberg DE. Psychosocial outcomes following a randomized pilot trial to reduce sitting time in older adults with obesity. Poster presented at: Society of Behavioral Medicine Annual Meeting & Scientific Sessions; April 11-14, 2018; New Orleans, LA.
42. **Matson TE**, Ludman EJ, Bradley KA. Are PTSD symptoms associated with engagement and response to alcohol care management for Veteran Affairs patients with high risk drinking? Poster presented at: Society of Behavioral Medicine Annual Meeting & Scientific Sessions; April 11-14, 2018; New Orleans, LA.
43. Williams EC, McGinnis KA, Edelman EJ, **Matson TE**, Gordon AJ, Lapham GT, Satre DD, Richards JE, Catz SL, Fiellin DA, Justice AC, Bradley KA. Level of engagement associated with engagement in HIV treatment cascade: A

national study in the veterans aging cohort study. Poster presented at: Addictions Health Sciences Research Conference; October 18-20, 2017; Madison, WI.

44. Rosenberg DE, **Matson TE**, Renz AD, McClure JB. Acceptability of a technology-enhanced sitting reduction intervention for older adults. Poster presented at: International Society of Behavior, Nutrition and Physical Activity 16<sup>th</sup> Annual Meeting; June 8-10, 2017; Victoria, Canada.
45. **Matson TE**, Rosenberg DE, McClure JB. Perceived health impact of sitting less among obese, older adults. Poster session presented at: Elder Friendly Futures Conference; September 16, 2016; Lynnwood, WA.
46. **Matson TE**, Castellanos ML. Age-related associative memory under divided attention. Poster presented at: 92<sup>nd</sup> annual Western Psychological Association convention; April 29, 2012; San Francisco, CA.

## RELEVANT TRAINING

---

Advanced Health Services Research Methods	Implementation Science
Biostatistics (linear, logistic regression, etc.)	LGBTQ+ Healthcare
Comparative Configurational Methods	Longitudinal and Multilevel Analysis
Diagnostic Accuracy (sensitivity, specificity, etc.)	Outcomes in Health and Medicine
Epidemiology (focus on Psychiatric Epidemiology)	Program Evaluation
Environmental and Occupational Health	Psychometric Analysis (IRT, DIF)
Global Health, Global Mental Health	Research Methods for Social and Contextual Determinants of Health
Global Violence and Health	Social Determinants of Population Health
Grant and Proposal Writing	Statistical Methods for Spatial Epidemiology
Health Communication and Marketing	Strategies for Health Promotion
Health Economics	Survival (Time to Event) Analysis
Health Policy and Development	Qualitative Methods
Health Systems and Policy	

## TECHNICAL SKILLS

---

- **Quantitative programing and analysis:** STATA, R, Mplus
- **Qualitative coding and analysis:** ATLAS.ti, Dedoose, rapid analysis (using Excel, Miro, etc.)
- **Data collection:** participant recruitment, qualitative interviewing, prototyping and testing
- **Interventionist skills:** Motivational interviewing, behavioral activation, problem-solving therapy
- **Database management:** Development of data dictionaries, codebooks, publication-quality tables
- **Productivity:** Advanced MS Office (Word, Excel, PowerPoint), Google Drive (Sheets, Docs, Slides)
- **Reference Management:** EndNote, Mendeley
- **Graphic design:** Adobe Photoshop, Illustrator, InDesign, Lightroom
- **Conferencing:** Zoom, Teams
- **Languages:** English, French (written)

## PUBLIC HEALTH SERVICE

---

- 1/2022–2/2022 **COVID-19 Operations Volunteer** ♦ Kaiser Permanente Washington, Seattle WA  
Assembled free COVID-19 home antigen test kits for members.
- 10-2015-10/2016 **Volunteer** ♦ Seattle/King County Clinic, Seattle WA

Greeted patients waiting in line for free healthcare services offered annually during this clinic. Answered questions and helped patients navigate to different services (dental, vision, medical).

- 10/2014–2/2015 **Volunteer** ♦ Association SILA at Hôpital Arrazi, Salé, Morocco  
 Conducted community needs assessment for mental health in Morocco. Taught mindfulness meditation practices to hospital staff and lead mindfulness activities for patients. Developed sensory stimulation and cognitive exercises for dementia patients.
- 1/2014–12/2014 **Navigator/In-Person Assister** ♦ Washington Health Benefit Exchange, WA  
 Targeted education and outreach about health insurance under the Affordable Care Act to at-risk youth in the Walla Walla community. Helped individuals and families understand their healthcare coverage options and provided assistance completing the enrollment process.
- 8/2013-7/2014 **Resilience-Oriented Systems of Care (ROSC) Committee Member** ♦ Department of Social and Health Services, Walla Walla, WA  
 Trained to use ROSC model for delivering a range of comprehensive care to those with or at-risk of substance use disorders. Coordinated partnerships between law-enforcement, health services and other community-based organizations. Created a comprehensive guide to community resources for substance use.
- 9/2012-7/2014 **Communicable Diseases Committee Member** ♦ Walla Walla County Department of Community Health, Walla Walla WA  
 Developed STD campaign to promote awareness among community youth. Surveyed parents and educators on perceptions of sexual health education in school, and described current practices
- 9/2012–7/2014 **Clinic Coordinator** ♦ The Health Center, Walla Walla, WA  
 Coordinated free primary health care and mental health care at a school-based health clinic that serves low-income, at-risk student populations. Provided community referrals, social and emotional support to students. Developed educational events/programs to teach healthy behaviors, nutrition and reinforce positive relationships. Actively recruited and managed volunteers. Created donor development material.
