PCORnet Bariatric Study – Participating Clinical Data Research Networks

- [Accessible Research Commons for Health (ARCH)](#)
  Bariatric Study Investigator: Ali Tavakkoli | Harvard University

- [Chicago Area Patient-Centered Outcomes Research Network (CAPriCORN)](#)
  Bariatric Study Investigator: Lauren-Rasmussen Torvik | Northwestern University

- [Greater Plains Collaborative (GPC)](#)
  Bariatric Study Investigator: James McClay | University of Nebraska Medical Center

- [Kaiser Permanente & Strategic Partners Patient Outcomes Research To Advance Learning (PORTAL)](#)
  Bariatric Study Investigator: Karen J. Coleman | Kaiser Permanente Southern California

- [Research Action for Health Network (REACHnet)](#)
  Bariatric Study Investigator: Lydia Bazzano | Tulane University

- [Mid-South Clinical Data Research Network](#)
  Bariatric Study Investigator: David Schlundt | Vanderbilt University

- [PEDSnet: A Pediatric Learning Health System CDRN](#)
  Bariatric Study Investigator: Stavra Xanthakos | Cincinnati Children's Hospital

- [New York City Clinical Data Research Network (NYC-CDRN)](#)
  Bariatric Study Investigator: Ana Emiliano | Rockefeller University
  Bariatric Study Investigator: Rabih Nemr | Lutheran Medical Center

- [OneFlorida Clinical Research Consortium](#)
  Bariatric Study Investigator: Steven Smith | Florida Hospital

- [Patient-Centered SCAlable National Network for Effectiveness Research (pSCANNER)](#)
  Bariatric Study Investigator: Andrew Odegaard | University of California, Irvine

- [PaTH: Towards a Learning Health System Clinical Data Research Network](#)
  Bariatric Study Investigator: Jeanne M. Clark | Johns Hopkins University and Health Plan
